

Snow Valley Aerial Park

This is a high ropes tower that has 100+ games and challenges on three levels. There is an adventure waiting for everyone!

Our park theme is skiing, snowboarding, camping and the River Valley. Look for our custom games including a ski bridge, snowboard balance bridge, coal car, picnic table, travel trailer, plus much more. The games are graded similar to the runs on a ski hill; green, blue, and black.

Whether you want to test your physical limits or just want to monkey around in the air, there are games that both kids and adults will find rewarding on every level. The view from the top deck is outstanding!

Snow Valley uses the state of the art "Clic-it" Safety Belay system. We also have certified guides to help you learn "the ropes" and enhance your experience. Orientation and equipment is included.

Book Your Adventure TODAY!
