

## **Junior Ski:**

### **Step 1 – The Basics**

(Start) These students have never been skiing or they have skied only a couple of times several years ago.

(End) Students are inconsistently skiing down Old Road

### **Step 2 – Mastering Wedge Turns**

(Start) These students are inconsistently skiing down Old Road (green terrain off the chairlift).

(End) Students are confidently skiing down Cascade – all areas.

### **Step 3 – Introducing Parallel**

(Start) Confident snowplow on Cascade

(End) Fully parallel on Old Road & lower 1/3 of Cascade.

### **Step 4 – Mostly Parallel Turns**

(Start) Fully parallel on Old Road & lower 1/3 of Cascade

(End) Fully parallel on all areas at Snow Valley. May revert back to a small wedge at the top of Rainbow Ridge.

### **Step 5 – Skidded Parallel Turns**

(Start) Fully parallel on all areas at Snow Valley. May revert back to a small wedge at the top of Rainbow Ridge.

(End) Level 2 Instructor. Carving. Basic freestyle.
