Snow Valley Ski Club is a not-for-profit society that has been in operation since 1948. For 70 years we have been committed to promoting wellness through fun, friendly, safe year round family recreation and sport for the Edmonton Community. Last season Snow Valley's Snow School helped over 20,000 students experience the fun and excitement of skiing and snowboarding.

When you book your school day, your students will acquire skills through a variety of developmentally appropriate movement activities including locomotor and non-locomotor sequences. In this alternative learning environment, outcomes will also include: Safety, Communication and Fair Play

It is our hope that we inspire children to be active in winter throughout their lives.

Each student will receive at least 1 (one) hour of instruction and plenty of practice time on the hill.

Lesson and lift pass rates begin at \$19 per student*.

Rentals are just \$10 (includes boots, helmet and skis or snowboard)

*Afternoon Rate, Off Peak Dates.

See website for complete rate schedule.

Hot Buffet Option available on request.
